

# ROOFINOX

## Designboard Volume 1

**HFX STAINLESS  
FOR ROOF +  
FACADE**

**Like no other.**

## Best value solution

long-term investment  
instead of renovating

## 35% more malleable

most flexible  
stainless steel  
easier to process

## Strongest metal

4 x stronger  
than aluminum

## Soldering instead of gluing

## Lowest expansion

less noise and  
cracking

## Most sustainable roofs and facades

life expectancy  
of over 200 years  
contains over 90%  
recycled material

## Light weight

0.79 lbs/sqft

ROOFINOX HFX stainless  
is nothing less than the  
evolution of stainless steel  
for building envelopes.

Like no other.
